FINANCE DEPARTMENT.

Delhi, the 17th December 1921.

No. 1270-C.S.R.—His Majesty's Secretary of State for India has been pleased to decide that additional pensions shall be granted to military officers who have held certain high civil posts and have fulfilled the conditions stated in the following paragraphs.

2. The additional pensions will be of two classes ; a higher pension of £240 a year and a lower pension of £100 a year. Their grant will be subject to the condition that the total pension of an officer receiving the higher class additional pension shall not exceed £1,000 a year and that of an officer receiving the lower class shall not exceed £900 a year.

3. (a) The pensions will be earned by approved service of the following kinds in a qualifying post :—

(i) Three years' substantive service ; or
(ii) Three years' continuous officiating service ; or
(iii) Three years' continuous officiating and substantive service.

(b) All privilege leave, and all leave which, under the terms of the resolution of the Government of India in the Finance Department No. 1240-C.S.R., dated the 21st December 1921, counts as privilege leave, will, if taken during such service, count as service.

4. The posts qualifying for the higher pension will be all civil posts which now carry a pay of not less than Rs. 4,000 a month. The posts qualifying for the lower pension will be all civil posts which now carry a pay of not less than Rs. 3,000 a month.

5. The period of three years' service prescribed in paragraph 3 above is an absolute minimum and no portion of either class of additional pension will be admissible to an officer who has held a qualifying post for a shorter period. A period of three years, spent partly in a post or posts qualifying for the higher, and partly in a post or posts qualifying for the lower class additional pension, will, however, entitle an officer to a lower class pension.

6. An officer serving in a post on a progressive or time-scale pay rising to a maximum of Rs. 3,000 or of Rs. 4,000 will be entitled to count as qualifying for a lower or higher pension, as the case may be, that portion only of his service during which he has drawn the maximum pay of the post.

7. These rules will apply with effect from the 1st April 1919 to all officers who retired from civil employ after the 4th August 1914. They will apply to an officer who retired from civil employ before that date if he was recalled during the great war for further civil employment to a qualifying post in India and completed in all three years' service in such a post.

No. 19.—The following resolution of the Government of India is republished:—

DEPARTMENT OF COMMERCE.

INTERNAL TRADE.

Delhi, the 3rd January 1922.

ORDERS OF THE GOVERNMENT OF INDIA ON THE REPORT OF THE COMMITTEE APPOINTED TO ENQUIRE INTO THE QUESTION OF INTRODUCING UNIFORM WEIGHTS AND MEASURES THROUGHOUT INDIA.

No. 6.—By their Resolution No. 8432—8514 4, dated the 10th October 1913, the Government of India appointed a Committee to enquire into the question of the feasibility of introducing uniform weights and measures throughout India, and the Committee duly submitted their Report in July 1914.

2. The Government of India, however, refrained during the war from dealing with the question of the standardization of weights and measures, as it was obvious that any radical change of system would entail at any rate a temporary dislocation of trade. A further factor which influenced this decision was the uncertainty whether the United Kingdom would adopt the metric system in the policy of post-war reconstruction; for, if it did, the arguments in the Minority Report in favour of the adoption of that system in India would have been strongly re-inforced. The Report of Lord Balfour of Burleigh's Committee on commercial and industrial policy after the war makes it clear that any alteration in the standards of the United Kingdom is highly improbable at any rate for sometime to come. The Government of India therefore consider that they are now in a position to dispose of

the recommendations made by the Weights and Measures Committee with a reasonable prospect of finality.

2. The Government of India think it necessary at the outset to make a clear distinction between weights and measures from the point of view of the need for standardization. Measures of capacity, especially dry measures, vary enormously from province to province and even from district to district. They are, however, used merely in retail trade, and the replies of the Local Governments and Administrations show with singular unanimity that discrepancies in measures of capacity do not cause as much practical inconvenience as discrepancies in weights, while their influence on inter-provincial and foreign trade is practically negligible. Subject to the restriction imposed by Section 80-A (3) (f) of the Government of India Act, read with item 29 of Part II of the first Schedule to the Devolution Rules, the Government of India, therefore, propose to leave this question at any rate for the present entirely to Local Governments who may take such action as they may think advisable to standardise dry and liquid measures of capacity within their provinces.

4. Similarly, it is not proposed to adopt all India standards of length or area. On general grounds the Government of India consider the English measures of length and area the most prevalent and therefore the most suitable. These are the foot, yard, chain, furlong, mile and acre, the chain being divided into 100 links for land measurement. At the same time, they recognise that the use of other measures can cause no serious inconvenience from the commercial standpoint, while Local Governments are intimately concerned inasmuch as any change in these measures might cause great inconvenience on its effect on revenue records. Subject again to the restriction mentioned in the concluding sentence of paragraph 3, Local Governments will, therefore, be left a free hand to deal with this matter if and as they choose.

5. As regards weights, the Committee discussed three standards, (1) the Indian Railway standard, (2) the British Standard based on a new seer exactly equal to 2 lb., and (3) the metric system. They decided, by majority, in favour of the Railway standard of one maund = 40 seers and 1 seer = 80 tolas or 16 chataks. This standard has undoubtedly many arguments in its favour. It has a definite and convenient base in the tola of 180 grains, a weight which is universal throughout the country in the form of the rupee. It lends itself to multiple halving, and since it is in use on every railway, it is known throughout the country. Local Governments, who have been consulted are almost unanimous in their support of the majority finding of the Committee, and the Government of India have decided after careful consideration to confirm this decision.

6. At the same time, the method of introduction present serious difficulties. Measures of weight differ so radically throughout India that the imposition of any uniform system would necessarily entail a complete alteration in the standards prevailing throughout the greater part of the country whatever the standards adopted might be. In order to make the change effective, therefore, it would be necessary firstly to pronounce illegal from some future specified date the possession and use of weights varying from the standard; secondly to enforce this pronouncement by definite penalties; and thirdly to ensure the substitution throughout India of standard weights for local varieties. The difficulties attending such legislation were recognised by the Committee. The Government of India fully appreciate them, and would be exceedingly loath to create by statute a new offence, specially an offence involving no moral obliquity in the minds of the people. The expense of prompt and general distribution of standard weights would also be very great.

7. The Government of India, therefore, accept the resolution adopted by the Council of State on the 23rd September in the following terms:—

"This Council recommends to the Governor General in Council that the Government of India should declare themselves in favour of the ultimate adoption in India, excluding Burma, of a uniform system of weights based on the scale now in use on the Railways."

The Government of India are not prepared to allow the intrinsic merits of the Railway system to weigh against the strong general arguments against compulsion, and they have, therefore, decided to limit their action first, to indicating a preference for the Railway system of weights, and second to maintaining standard weights at the chief Presidency towns. As regards Burma, they have no preference to indicate since it is clear from page 143 of the Report that Burma requires special treatment.

8. The subject of weights and measures is now provincial, with the reservation that the Government of India shall legislate as regards standards (*vide* item 29 of Part II, Schedule I of the Devolution Rules). The only Act regarding standardization is the Indian Weights and Measures of Capacity Act (XXXI of 1871), but this Act has in practice no operative effect because none of the notifications prescribed by the various sections of the Act have yet been issued. It is based on the continental centrum system, the seer being defined as equal to the kilogramme. The Government of India do not propose to repeal this Act nor to introduce at present any new measures prescribing all-India measures of weight or capacity. Their opinion is that Local Governments, in exercise of the power conferred upon them by the Devolution Rules, should take such executive action as they can to educate public opinion in favour of the standard maund and seer, by publicity work, by adoption in school curricula, and by any other suitable measures. Municipal bodies might be encouraged to frame by-laws adopting this standard, and Local Governments might maintain standard weights at their respective capitals and at important trade centres. Where a Local Government considers that provincial standardization by law is feasible, the Government of India will have no *prior* objection to such legislation, on the usual understanding that they will be consulted as to the actual form which such proposed provincial legislation is to take and that such legislation will not be introduced without obtaining the previous sanction of the Governor General under Section 80-A (3) (f) of the Government of India Act. If, subsequently, opinion develops strongly in favour of imperial standardization of weights, the Government of India will be prepared to undertake such legislation, but at present they consider that any such step would be premature.

9. With regard to Burma, the Government of Burma have generally accepted the recommendations of the Committee summarised in Chapter VII of their Report, except in respect of measures of dry capacity, and have submitted proposals for legislation with a view to giving effect to them. The Government of India in appraising these proposals have suggested that the necessary legislation might be postponed until the Reformed Legislature comes into existence in that province.

MISCELLANEOUS NOTIFICATIONS.

NOTICE.

An Agricultural Middle School will be opened at the Taliparamba Government farm, North Malabar, early next year. The school buildings will be near the farm, about 1½ miles from the town of Taliparamba. The course given at this school is intended for the sons of cultivators. The course is designed

to instruct them in the reasons which underlie the ordinary agricultural practices so that they may understand what improvements are possible and how these can be introduced. The students will be given practical instruction in ordinary cultivation work, on the wet and dry lands attached to the school. They will also be shown the improvements made on the Taliamraiba Government farm, etc. At the same time the boys will be instructed in reading, writing, arithmetic, geography, nature study, etc. It must be clearly understood that this course does not qualify for any appointment under Government. The course is not intended for those who wish to enter Government service or to take up any profession other than that of a cultivator. The course is intended for the boys who will adhere to their ancestral occupation of agriculture, and is designed to make them better cultivators than their ancestors were.

The boys will live at the school. There will be three terms in a year, *i.e.*, May 1st to August 15th, September 15th to December 15th and January 15th to March 31st.

The fee charged will be Rs. 15 per term or Rs. 45 for the *year*. This fee includes everything, board and tuition. The full course will last two years. The times of vacation have been arranged so that the boys will be able to see how their own crops are growing at home and compare them with the crops they themselves grow at school. The school at present can admit only 20 boys. Those who want to send their sons or nephews should apply to the Deputy Director of Agriculture, VII Circle, Tellicherry. To be admitted to the school boys should have passed the fifth standard of an elementary school or the corresponding class of a secondary school.

N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *fifty*, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

If a candidate who belongs to one Native State selects a centre in another Native State, he should submit his application for admission to the examination through the educational authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination entered in his application, *which must essentially be the place where he is employed or ordinarily resides or should it not be a centre, the place nearest to it where the examination is held.* A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination cancelled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examination in any of the subjects mentioned at any other place, if he is satisfied that not fewer than *fifty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 23rd January. Ordinarily, however, only one place will be constituted a centre for each district.

5. The oral and practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the Written examination, candidates are recommended to refer to Part I-B of the* Fort St. George Gazette *from time to time.*

6. Candidates whose examinations, either written or oral and practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7. Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or by the Director of Industries, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils*.

N.B.—Heads of institutions recognized for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical examinations.

8. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no application of any *private* candidates being enclosed with these applications.

9. Each candidate must, wherever the syllabus requires it, submit, before the *31st January*, the necessary drawings, plans, surveys, field books, estimates, or other "certified works." Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are specially warned that no certified works will be valued by the examiners unless the certificate of authorship is in each case quite satisfactory and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificate. Further, if any suspicious attaches to any certified works submitted by pupils from technical schools, the Commissioner will be compelled to

recommend to the Director of Public Instruction or the Director of Industries, the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawing, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (i.e., the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. *Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink*:—

(1) Name of candidate,
(2) Place of examination,
(3) Subject,
(4) Grade, and
(5) Total number of drawings in each roll.

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled* up with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned.

10. Candidates must send in their applications made out in English on *printed forms so that they may reach the Commissioner's office on or before the 31st January, after which date no application will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

NOTE.—Candidate who is desirous of being examined through the medium of a vernacular in any subject should specify in column 9 of his application the language (e.g., Tamil, Telugu) through the medium of which he wishes to be examined.

11. Candidates in the mofussil should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates in Mysore, Hyderabad, Travancore and Cochin States should obtain the same from the Resident's Treasury. Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, Cathedral Post office (Madras), and not to the Collector of Madras.

N.B.—No notice will be taken of any applications from candidates in the mofussil requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Elementary.	Intermediate.	Advanced.
	Rs.	Rs.	Rs.
For each subject	3	5	10

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Imperial Bank of India, and the receipt given by the Treasury Officer or the Imperial Bank of India attached to the application, which must in every case reach the Commissioner's office on or before the 31st January. *On no account will the fees be received in the Commissioner's office whether sent in cash or by Post office orders. An application will be registered unless it reaches the Commissioner's office by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fee should be collected by the Headmaster and sent in a lump sum to the Imperial Bank of India together with two lists of the pupils, one of which will be returned by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to the office along with the applications of the candidates. The treasury forms for that purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post-paid, superscribed and addressed as follows, the receipt for the fee paid *being securely fastened to it.*

15. Candidates are warned that the application itself *should not be enclosed* with any drawings, plans, surveys, field books, estimates, or other certified works that may be sent, but should be submitted in a *separate* cover.

[*Application for admission to the Government Technical Examinations.*]

To

The Secretary to the Commissioner for Government Examinations,
Cathedral Post Office (Madras).

N.B.—Candidates anxious to ensure themselves that their applications have been received should enclose *an addressed post card in their respective applications.* The post-cards should bear the sender's address only and no other writing. Such post-cards will be returned to them in due course with the 'Received' stamp of the office impressed upon them. No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given, nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

16. Candidates should write their names, their father's name and their house names *distinctly* and *in full* in their applications and give their *addresses in full* also; if 'Other Hindus' they should state in column 3 of their applications whether they are 'Non-Brahman Caste Hindus,' or 'Panchamas'. Applications defective in any particular will be returned.

NOTE.—*The occupation or profession of candidates, or the appointments held by them should invariably be stated in full in column 10 of their applications.*

18. *The fees paid will, in no case whatsoever, be refunded, nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the notification carefully and satisfy themselves before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical examinations.*

17. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects in which the examination is divided into stages, or as having passed the Intermediate (late Preliminary), where the examination is of two grades—Intermediate and Advanced—must in their applications cite the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

18. Subject to any change that it may be necessary or convenient to make in the arrangements, the Written examinations will be conducted in the order of time and subjects shown in the following table, beginning each day at 10 o'clock in the forenoon and 2 o'clock in the afternoon except in the case of examinations on the 21st and 23rd April for which the arrangement is different as shown in the time-table. *Candidates will not be allowed to come up in more than one of the subjects enumerated together for the same time on the same day, or for more than one grade of examination in the same subject in the same year.*

[The figures under the letters E, I, S and A in the third column show the duration of the question papers for the respective grades.]

RULES AND DIRECTIONS OF THE SYNDICATE FOR THE ADMISSION OF HOLDERS OF SECONDARY SCHOOL LEAVING CERTIFICATES TO UNIVERSITY COURSES OF STUDY.

I. Admission of holders of secondary school-leaving certificates to University courses of study in the academic year 1922-23 and subsequent years shall be made only in accordance with the revised rules and directions of the Syndicate herein contained.

II. Such holders only of completed secondary school leaving certificates may be admitted to University courses of study and registered as matriculates under regulations 1 of Chapter XVI as (*a*) had completed not less than 16 years of age on the first day of the month in which the examination qualifying for such certificates is held unless specially exempted from the operation of the age limit by the Syndicate, and (*b*) have been declared eligible for such admission by the Syndicate.

III. A complete list of certificate-holders declared eligible for admission to University courses of study will be published annually in the *Fort St. George Gazette*, and a copy of this list will be furnished to each Principal of an affiliated college. A certificate-holder not included in one of these lists will not be entitled to registration as a matriculate under Regulation 1 of Chapter XVI except as provided in paragraph VII below.

IV. In the case of certificates issued under the authority of the Government of Madras those holders of certificates who qualify under the following rules will be included in the list of those declared eligible by the Syndicate for admission to University courses of study :—

1. Secondary school-leaving certificate holders shall be eligible for admission to University courses of study whose marks in the Public Examination or whose marks after moderation are

(*a*) in Group A subjects

either

(i) in English five marks above the Presidency average and in each of the other two subjects (except Vernacular Composition and Translation in the case of school pupils who are excused by the Director of Public Instruction the study of this subject under Group A), not less than the Presidency average;

or

(ii) of the total marks, in English 40 per cent and in each of the other two subjects (except Vernacular Composition and Translation in the case of school pupils who are excused by the Director of Public Instruction the study of this subject under Group A), 35 per cent ;

(*b*) in Group C subjects

either

(i) five marks above the Presidency average in Algebra and Geometry, or Physics, or Chemistry, or English History, and not less than the Presidency average in one other subject;

or

(ii) of the total marks, 40 per cent in Algebra and Geometry, or Physics, or Chemistry, or English History, and 35 per cent in one other subject.

3. A secondary school leaving certificate-holder who fails to qualify in Vernacular Composition *or* in Elementary Mathematics shall be eligible for admission, provided he obtains excess marks in English and the other subject of Group A taken together equal in number to twice the number of marks by which he is deficient in the subject in which he fails.

A secondary school-leaving certificate holder who fails to qualify in Vernacular Composition *and* in Elementary Mathematics shall be eligible for admission, provided he obtains excess marks in English equal in number to twice the total number of marks by which he is deficient in the two other subjects.

4. A secondary school-leaving certificate-holder who qualifies in one of the four selected subjects in Group C but who fails to qualify in a second subject of that group shall be eligible for admission, provided that in the former subject he obtains excess marks equal in number to twice the number of marks by which he is deficient in the latter subject.

5. A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition, or Elementary Mathematics, or in both, and also in a second subject of Group C may be declared eligible for admission, provided that he obtains excess marks as above both in the other subject or subjects in Group A and in one of the four selected subjects of Group C.

6. The eligibility of a school leaving certificate-holder will be determined for each Group of subjects separately, by the test of Presidency averages or fixed percentages throughout, or by the test of Presidency averages in Group A and fixed percentages in Group C, or *vice versa*.

7. A secondary school-leaving certificate-holder who fails to qualify under the preceding rules by reason of deficiency of marks.

(*a*) in *one subject only*—
will be declared eligible for admission,
if the deficiency of marks is not more than one mark, irrespective of his total marks

or

provided that the deficiency of marks	if his total marks amount to
is not more than 2 marks	not less than 200
Do. do. 3 ,,	Do. 250
Do. do. 4 ,,	Do. 300
Do. do. 5 ,,	Do. 350

and so on

or

(*b*) in *two subjects only*—
will be declared eligible for admission
provided that the deficiency is not more than 1 mark in one subject and 1 mark in the other subject. — if his total marks amount to not less than to 250

,, 1 mark and 2 marks	Do. 300
,, 2 marks and 2 marks	Do. 350

For the purpose of this rule, in calculating the total marks gained, the higher mark obtained in each subject will be selected, whether examination mark or moderated mark, and in calculating the deficiency of marks the smallest deficiency will be selected after application of both alternatives in rules 1 and 5 and after applying rules 2, 3 and 4.

In the case of a secondary school-leaving certificate-holder who has been exempted the study of Vernacular Composition and Translation and has taken a classical or foreign language and *one* other subject only under Group C, the total marks required under this rule will be reduced by one-fifth, provided always that in the case of such certificate-holder no total number of marks will be allowed to compensate for deficiency of marks in the language as taken under Group C.

In the case of a certificate-holder who has been exempted the study of Vernacular Composition and Translation and has taken a classical or foreign language and *two* other subjects under Group C, the total marks required under this rule will not be reduced (his marks in each of the five subjects being taken into account), and compensation for the deficiency of marks will be admissible under this rule irrespective of subject.

7. The moderation of the marks obtained by a holder of a secondary school-leaving certificate for the purpose of the above rules will be effected as follows :—

The individual mark gained by him for the last year at school in each subject will be multiplied by the average mark for the school at the Public Examination and the result divided by the average mark at school of the candidates from the school actually appearing for the Public Examination. The figure thus obtained will be added to the individual mark gained by him at the Public Examination and the total will then be divided by two to obtain the final moderated mark.

8. In the case of certificates issued under the authority of Native States in the territorial jurisdiction of the University, similar standards for admission will be applied.

9. Any candidate for admission to University courses of study who in any year fails to qualify by reason of deficiency in any subject or subjects in which he has undergone examination will be required to undergo a supplementary course at school in all the subjects of Group A, and in two subjects of Group C. He must again appear at the Public Examination at the close of this supplementary course and his eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks throughout in each subject obtained by him at the last and the penultimate examinations. Also in the case of a candidate who, after undergoing a supplementary course and examination, has failed again to qualify for admission to University courses of study and who is permitted to appear at the Public Examination in a subsequent year after private study, eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks throughout in each subject obtained by him at the last and the penultimate examinations.

VI. Hereafter candidates for admission to colleges, whose last appearance at the Public Examination was in 1918 or earlier, must submit their certificates to this office for inspection not later than the 30th April. Every such certificates will be judged by examination marks alone according to the rules in force for certificate completed in the year in which it is submitted for inspection except that the best performance in each subject in any year will be taken into consideration.

VII. Notwithstanding anything contained in the foregoing rules, the Principals of Colleges for Women will be permitted to make admissions at their discretion of female holders of secondary school-leaving certificates whether or not the names of such holders of certificates are included in the published list of certificate-holders eligible for admission to University courses of study. Certificate-holders so admitted in Colleges for Women will be registered as matriculates under regulation 1 of chapter XVI.

VIII. The lists published annually in the *Fort St. George Gazette* will contain the names of all certificate-holders found to be eligible for admission to University courses of study in affiliated colleges, other than Colleges for Women, under the rules and directions issued by the Syndicate. It is, however, to be clearly understood that inclusion in the list confers on no certificate-holder the right of admission to any affiliated college. The Principals of Colleges are at perfect liberty to restrict admission to such applicants as they may select and are moreover required strictly to confine admission to such eligible certificate-holders as, judged by their certificates, may be expected to profit by the particular courses of study upon which they propose to enter in the college selected.

The aim of these scholarships is to encourage deserving apprentices and pupils to complete their whole apprenticeship or period of training at one institution or workshop and so to some extent check the present tendency of apprentices to move from workshop to workshop in search of a few annas increase in wages to the detriment of their training and the annoyance of their employers.

(2) No scholarship will be granted to candidates who are over seventeen years of age at the commencement of their apprenticeships, but in the case of Muhammadan candidates, the age limit may be raised by two years.

(3) The general educational attainments of candidates should be such as would enable them to profit by the training provided. Ordinarily a standard V pass in the primary grade will be regarded as the absolute minimum, but the nature of the trade to be followed, the pecuniary circumstances of the candidate, and his general fitness for the work will be taken into account in deciding whether a candidate is qualified for the scholarship.

9. A scholarship held in any class or year of apprenticeship shall run from the beginning of the month in which the holder joins the class and shall not be drawn after he ceases to attend the class as long as the workshop. The scholarships are payable monthly.

DEPARTMENT OF AGRICULTURE, MADRAS.

GINGELLY CROP OF 1921-22: THIRD REPORT.

(On an average of the five years ending 1919-20 the area under gingelly in the Madras Presidency has represented some 17·3 per cent of the total area under gingelly in British India.)

The area sown with gingelly up to the end of December 1921 is estimated at 584,800 acres which is 25 per cent above the estimate of 464,200 acres made on the corresponding date last year. This excludes the late crop which is sown in March-April, mainly in the Circars and the South. This late crop will be included in the final estimate next April.

2 The increase is general and is greatest in the Central districts, where the area sown has increased by 94 per cent owing to timely rains.

3. The long drought in November and December has affected the yield in the Central districts. The yield is well below normal in the Circars and Deccan, owing to the failure of the south-west monsoon and lack of sufficient rains. The season has been favourable in Trichinopoly and on the West Coast. The seasonal factor is calculated at 85 per cent of an average crop for the Presidency, and this works out to a yield of 56,800 tons as against 57,400 tons estimated on the corresponding date last year.

4 Details by districts are given below :—

The Collector of Malabar will notify separately the special conditions under which licences for the sale of arrack in the Attapadi valley will be granted on payment of fixed fees.

The districts in which independent arrack shops, foreign liquor taverns, beer shops and ganja and opium shops, respectively, will be sold are specified below :—

From 1*st April* 1922.

Arrack, ganja and opium shops.	Foreign liquor taverns.	Beer shops.
In all districts ..	In the districts of Godavari, Kistna, Guntur, Bellary, Madras, Chingleput, South Arcot, Tanjore, Madura and Malabar.	In the districts of Nellore, Bellary, Chingleput, Chittoor, North Arcot, South Arcot, Tanjore, Trichinopoly, Madura, Coimbatore, The Nilgiris, Salem and Malabar.

Licenses for the sale of foreign liquor which are granted on payment of fixed fees are dealt with in a separate notification.

Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops.

II. The shops will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upper prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of licence or of a contract under the $\frac{\text{Abkari}}{\text{Opium}}$ Act as to render him undesirable as a holder of a licence, or (2) that he is insolvent or in arrears to Government; (3) that his bid is merely speculative, (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop resold at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid,

unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause I) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop in the sales thus in progress.

VII. Any person to whom a shop has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved security, within ten days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a license on the conditions hereinafter set forth. In the event of the purchaser's death after issue of the license, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the license as well as for the proper observance of all the conditions of the license. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is requested to deposit twice that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser. Or the purchaser shall be required to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the surety or sureties or by the purchaser. The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement.

IX. On the failure of any person to make a deposit or take out a license under clause VII or to comply with any requisition or to execute any engagement under clause VIII supra, the deposits already made may be forfeited and the shop may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Resales under this clause will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him.

XI. The deposits referred to in clause VII or VIII may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities, or by depositing Postal Savings Bank pass-books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates, the deposits must be made in the name of the Collector of the district, the co-trustee must agree in writing that undertakes the risks, if any, involved in the investment and the Banks must certify on the deposit certificate granted that the deposit is withdrawable on the Collector's demand.

Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or Savings Bank pass-books or Co-operative Bank deposit certificates will be returned upon payment of the full amount of the kists due in cash unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under clause IX of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

Condition of Issue of Licences for Wholesale Vend of Arrack.

XII Applications for the privilege of wholesale vend of country spirits should reach the Collectors concerned on or before the 1st March 1922 and should be accompanied by a fee of Rs. 15 which will be returned to those persons whose applications for licences are not approved. The grant of licences confers no exclusive privilege, and it will be open to the Collector to grant licences under like conditions to other persons at any time during the currency of the licences for which applications are now invited. Licences will be granted to private persons only if they have obtained the consent of the arrack supply contractor of the district to the opening of their depots and deposited such amounts may be required by the Collector as security for the proper fulfilment of the conditions of the license. If such depots are not worked to the satisfaction of the Collector, they may be closed at any time. Wholesale depot licenses will not be granted to persons having interest in retail shops.

The licences issued under the above clauses will contain the following general conditions common to all abkari and opium licences and the special conditions prescribed below for any particular kind of licence.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 41 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for one such depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Salt, Abkari and Customs Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernaculars and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 a.m.; and no other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot or shop and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) Collectors are authorised to notify at the time of the auction sales that specified shops will be closed on the occasion of specified festivals and that the hours of sale at specified shops which are situated within a mile of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is also allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places where large numbers of operatives assemble on work days from 11-30 a.m. to 1-30 p.m. on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

11. Depots and shops situated on or adjacent to line of march must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall on his motion close his depot or shop when there is a riot or disturbance in the neighbourhood.

12. All liquors, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks,

(b) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers and Railway servants when on duty, or

(c) in any circumstances to any—

(1) European vagrant under escort of the Police;

(2) child or young person under eighteen years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

Note.—The restrictions as to sale (2) do not apply to soldiers, their families and servants when they are absent on leave from their regiments.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed.

19. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkari and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct.

20. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the licence and shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Salt, Abkari and Customs Department.

24. Except in the case of fixed fee licences, the amount for which the privilege of sale has been purchased shall be payable in twelve equal monthly instalments into a Government treasury on or before the 10th of each month beginning with April or October as the case may be. Interest will be levied on any amounts not so paid and after the 15th of the month in Madras town or the 20th of the month elsewhere shops are liable to be sold for failure to pay dues. Toddy shops may also be resold for failure to pay tree-tax. Fees for depot licences must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Powers reserved to Revenue officers to suspend licences in case of failure of payment of kists or in the case of toddy licences of free-tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a licence for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the licence to the new purchaser, or otherwise disposed of at the Collector's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

* For liquor shops—vide Board's Notification No. 4, dated 26th January 1921 as amended by Notification No. 18, dated 19th July 1921.

† For opium shops in the Agency division a uniform rate of 15 annas a tola has been fixed.

37. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

38. (a) No abkari or opium licensee in an Indian State or Foreign territory will be allowed to have any interest in a licence for the same article in British territory without the special permission of the Collector.

(b) No abkari or opium licensee in any area in British territory may have any interest in or hold a licence for the same article in any other area in British territory in which a different rate of duty is in force, without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 37 in respect of all or any of the licences held.

39. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licences.

40. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the Abkari / Opium laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

41. Pecuniary dealings by licensees of any kind whatever with officials of the Salt, Abkari and Customs Department are absolutely prohibited.

42. With the sanction of the Board of Revenue, any licence shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

or (b) cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and, if considered necessary by the Collector, forfeiture of deposits;

or (c) prosecution of the licensee or his agent for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a licence, continuing fines may be imposed.

48. Any licence may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Abkari / Opium Act, or of any offence under the Indian Penal Code, which in the Collector's opinion renders him unfit to hold it, or if it is brought to the notice of the Collector that the licensee has been convicted prior to the issue of a licence to him before a Magistrate of any of such offence.

49. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

50. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

51. Collectors may at the commencement of the lease order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the area selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. A Tahsildar may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

52. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licences should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one licence shall be issued for a fair or festival without the sanction of the Board.

The fees to be paid for the licences shall be fixed at the discretion of the Collector.

6. The duty on spirits purchased from the contract supplier's distillery or warehouse must be prepaid into a Government treasury unless the contract supplier has an advance account with the treasury, in which case the duty may be paid to him up to the limit of the balance in his favour in that account. The cost price of spirits purchased should be paid to the contract supplier.

The statement should be submitted not later than the 5th of the month following that to which it relates. All cases of wastage in excess of the 2 per cent limit will be dealt with by Collectors, at their discretion, by a fine not exceeding double the duty payable on the excess wastage. If the casks have passed through areas in which different duties are in force, the fine may be calculated on the highest duty prevailing in any of such areas. Only one cask should be kept open at a time for issue. Depotkeepers should show clearly in their account books the cask from which each consignment or part of a consignment is issued.

* Here the name of the taluk where the shop is situated or at such other taluk as may be ordered by the Collector will be inserted.

No. 2, dated 18th January 1922.

NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENCES.

The following notification is issued in supersession of Notification No. 8, dated 24th January 1921, published in the Supplement to the *Fort St. George Gazette*, Part II, dated 25th January 1921 :—

In exercise of the power conferred on him under section 4 (*g*) of the Madras Abkari Act (I of 1886), the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licences on fixed fees for the compounding blending, bottling and sale of potable foreign liquors from and after the 1st April 1922 within the limits of the Madras Presidency :—

1. The term "foreign liquor" in these rules includes all wines, spirits and beer imported into the Presidency by sea or land ; plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid ; cocoanut arrack, and spirits manufactured or compounded in this country and made in colour and flavour to resemble gin, brandy, whisky or rum, raised at the tariff rate of import duty ; and beer brewed in India or beer imported in a condensed form and afterwards converted into potable beer and duly excised, but excludes denatured spirits and ordinary arrack. In the case of licences to chemists, druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term "foreign liquor" means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

NOTE.—The minimum strengths at which imported and locally-made foreign spirits can be sold are 35° U P for gin and 25° U.P. for all other kinds of spirits including Italian arrack, except denatured spirits and cocoanut arrack.

"Indian" beer is beer brewed in India (*a*) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which jaggery or crude cane sugar is employed, (*b*) which is brewed at a higher original gravity than 1,055° on a standard saccharometer and (*c*) the maximum price of which at the brewery is Rs. 40-0-0 per hogshead *plus* the excise duty in force at the time of issue.

2. Licences for the sale of foreign liquors shall be of the following descriptions :—

I. *Wholesale licences for the sale of foreign liquor not to be drunk on the premises.*—These will be issued on an annual fee of Rs. 250 at the discretion of Collectors. Under these licences the sale of liquor in quantities less than two imperial gallons or a dozen reputed quart bottles or two dozen reputed pint bottles of each kind at a time is prohibited. The holders of this licence will have the privilege of issuing to licensed dealers only samples of liquor in quantities not exceeding one pint. In Madras town, holders of this licence will not be allowed to sell "Indian" beer.

II. *Retail licences for the sale of foreign liquor not to be drunk on the premises to any person.*—These will be of two kinds—one for the sale of all kinds of foreign liquor, except "Indian" beer and the other for the sale of beer brewed in India.

(c) The former will be issued at the discretion of the Board and Collectors on payment of an annual fee of Rs. 1,000 in the Nilgiris except Gudalur, Rs. 500 in the town of Madras, Rs. 250 in towns having a population of 25,000 and over and in Kodaikanal, Yercaud and Cochin, and Rs. 150 in the rest of the Presidency. Under these licenses the sale of liquor in a quantity less than one reputed pint and greater than two imperial gallons at one transaction will be prohibited.

(d) Retail licences for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 10.

III. *Hotel licenses for the supply of residents in hotels and boarding-houses.*—These will be of two classes and subject to a payment of an annual fee of Rs. 250 or Rs. 150 in Madras, of Rs. 100 or Rupees 60 on the Nilgiris, and of Rs. 75 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licences otherwise than to residents in hotels and boarding-houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or meals supplied to them.

In Madras a holder of a hotel licence desirous of setting up and maintaining in his hotel a bar or bars may, on payment of a monthly fee of Rs. 100 for a first-class bar or Rs. 60 for a second-class bar, be granted a separate licence to be called a bar licence. This will cover the sale of foreign liquor under the same conditions and to the same extent as the tavern licence.

In Madras, special bar licences will also be issued to others than holders of hotel licences with the previous sanction of the Board of Revenue. The fees in such cases will be fixed by the Board and the licences will entitle the holders to sell to all comers.

IV. *Refreshment-room licences* will be of two classes—

(a) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of dâk carriages for the supply on the premises of travellers by such railways or dâk lines.*—The annual fee payable for each licence will be Rs. 60. Under these licences liquor may be sold to *bonâ fide* travellers, or to other persons served with regular meals in the rooms for consumption on the premises to any extent, provided that no more than one reputed quart of spirits or two reputed quarts of any other kind of liquor sold at the refreshment-room may be sold at one time to any such traveller for removal from the premises.

(b) *For refreshment-rooms in which the sale of liquor is ordinarily combined with the supply of meals or of articles prepared and served in the European manner.*—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licences of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences must be at least of the monthly rentable value of Rs. 60 in Madras and in Cotacamund and Coonoor municipalities and of Rs. 25 in the rest of the Presidency.

V. *Occasional licenses*, such as licenses for the sale at refreshment stalls in connexion with race meetings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licences.

VI. *Special licenses* will also be granted by Collectors in consultation with the officers of the Salt, Abkari and Customs Department when the circumstances are such as not to allow of the issue of licenses of any of the above descriptions on such terms and conditions and for such periods as they may on each occasion determine.

VII. *Auctioneers' licenses.*—Annual fee, Rs. 6. The following are important provisions of this licence:—

(a) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own houses before the auction sale.

(b) Authority to sell wines, spirits and beer in less quantities than whole dozens of each description in the case of sales by auction of the property of private parties or estates or of trade consignments which are alleged or otherwise unmerchantable.

(c) Authority to sell by auction at places other than that specified in the licence, viz., at any private residence at which the licensee may hold an auction.

VIII. *Licenses for the sale of pure rectified spirits.*—These will be issued to chemists and druggists and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licenses the possession of pure rectified spirits in excess of ten imperial gallons (or such larger quantity as the Collector may, in consultation with the officers of the Salt, Abkari and Customs Department, specially authorize) is prohibited. Pure rectified spirits must not be sold under these licenses for other than *bonâ fide* medical, industrial and scientific purposes, and the maximum limit of sale at one time to the same person is restricted to one reputed pint in the case of sale to a private individual, two reputed quarts in the case of sale to a chemist, medical practitioner or scientific body and three imperial gallons to any Government, Local Fund or Municipal hospital.

IX. *Licenses for the sale of medicated wines and similar preparations* containing 20 per cent and upwards but not more than 42 per cent of proof spirit will be issued by Collectors on payment of an annual fee of Rs. 10.

X. *Licenses for compounding or blending foreign liquors* will be granted to holders of wholesale licenses by Collectors and licences for *compounding* to licensed distillers by the Assistant Commissioner of Distilleries on payment of an annual fee of Rs. 250.

---

* NOTE.—In places where there are beer depôts, holders of retail licenses for the sale of all kinds of foreign liquor except Indian beer will be permitted to sell beer brewed in India or English principles sold in bottles as received at the brewery whilst it was brewed.

4. *Licences for the selling of foreign liquors, except beer brewed locally*, will be granted to holders of wholesale licences by Collectors and to licensed distillers by the Assistant Commissioner of Distilleries on payment of an annual fee of Rs 60.

5. Any two or more of the above kinds of licences may be granted to the same person for the sale of liquor in the same premises.

6. No premises shall be used for the sale of liquor unless and until approved by the Collector.

7. All licensees shall maintain and furnish to Collectors statistics showing separately the consumption of imported foreign liquors and locally-made spirits and beers

8. All licenses (other than occasional and special licences) will have effect for the official year, i.e., from the 1st April in each year until the 31st March of the following year.

9. The fixed fees exceeding Rs 50 on all licences (other than special and occasional licences) will be payable in two instalments, one-half being payable when the licence is issued and the other half at the beginning of the second half-year, viz., 1st October.

10. For the convenience of the trade, Collectors will, so far as possible, receive and dispose of applications for licences under clause IV (*b*) to have effect during the following official year before the tasara sales for that year. Licences for the sale of liquor in mufassal refreshment-rooms should be very sparingly given.

11. All further information may be obtained and forms of licences may be procured at a charge of two annas each at the offices of Collectors.

Bill No. 1 of 1922.—The Madras Revenue Recovery (Temporary Amendment) Bill, with Statement of Objects and Reasons—Tamil, Telugu, Canarese, Malayalam and Hindustani.

Bill to be introduced in the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 1 OF 1922.

A Bill to amend the Madras Revenue Recovery Act II of 1864.

WHEREAS it is expedient for the purpose of meeting an emergency that has arisen in the matter of the collection of land revenue to amend the Madras Revenue Recovery Act, 1864:

It is hereby enacted as follows:—

1. This Act may be called the Madras Revenue Recovery (Temporary Amendment) Act, 1922, and shall continue in force until the 30th June 1923.

Definition.—"Principal Act" means the Madras Revenue Recovery Act II of 1864.

2. Notwithstanding anything contained in sections 9 and 22 of the Principal Act, the Local Government may by notification authorize any officer distraining moveable property within a particular area to sell the distrained property at such time and place as may be specified by him after causing such proclamation as he may consider necessary to give due publicity to the sale provided that such sale shall not take place within 24 hours of the time of distraint. All references in the Principal Act to the officer empowered to sell under Act VII of 1839, shall be deemed to refer to the distraining officer empowered to sell under this section.

3. Notwithstanding anything contained in section 27 and clauses (1) and (2) of section 36 of the Principal Act the Local Government may by notification direct that the provision regarding notification of attachment by publication in the District Gazette be dispensed with in any particular area and may authorize the officer empowered to sell immoveable property to sell the same by public auction at such

time and place as may be fixed by him after causing such proclamation as he may consider necessary to give due publicity to the sale : Provided that such sale shall not take place within seven days from the date of the attachment.

4. The Local Government may notify that in any particular area the provisions of section 37-A of the Principal Act shall cease to be applicable to sale of land in that area and on such notification the said provisions shall cease to apply to such sale and clause (3) of section 34 shall be read as if the words " under section 37-A or " had been deleted.

STATEMENT OF OBJECTS AND REASONS.

In certain areas the idea prevails that ryots will be able to evade the payment of tax if they combine in passive resistance to its collection. In view of this situation the procedure for distraint of movables or for attachment of land and their subsequent sale is unnecessarily lengthy.

The provisions of the Revenue Recovery Act as it stands were intended for normal conditions and are inadequate to meet a combined attempt to resist collection.

It is proposed to shorten the procedure giving only a minimum period after attachment for payment and empowering the officers concerned to sell thereafter promptly.

1922 ലെ 1-ാം നമ്പർ ബിൽ.

A BILL TO AMEND THE MADRAS REVENUE RECOVERY ACT II OF 1864.

1864 ലെ 2-ാം ആക്കായ മദിരാശി നികുതി വസൂൽ ആക്ട് ഭേദപ്പെടുത്തുവാനുള്ള ഒരു ബിൽ.

നിലനികുതി വസൂലാക്കുന്നു കാര്യത്തിൽ നേരിട്ടിരിക്കുന്ന ഒരു അടിയന്തരാവശ്യത്തിന്റെ നിവൃത്തിക്കായി 1864 ലെ മദിരാശി നികുതി വസൂൽ ആക്ട് ഭേദപ്പെടുത്തുന്നതു യുക്തമായിരിക്കയാൽ ഇതിനാൽ താഴെ പറയുംപ്രകാരം നിയമിച്ചിരിക്കുന്നു:—

1. ഈ ആക്കിനു മദിരാശി നികുതി വസൂൽ ആക്ട് (തല്പരപ്രകാരം ഭേദപ്പെടുത്തുന്നു) 1922 ലെ ആക്ട് എന്നു പേർ പറയാവുന്നതും അതു 1923 ജൂൺ 30-ാം തീയതിവരെ പ്രാബല്യമായിരിക്കുന്നതും ആകുന്നു.

അർത്ഥവിവരണം.—"പ്രധാന ആക്ട്" എന്നതിനു 1864 ലെ 2-ാം ആക്കായ മദിരാശി നികുതി വസൂൽ ആക്ട് എന്നർത്ഥമാകുന്നു.

2. പ്രധാന ആക്കിലെ 9-ാം 22-ാം വകുപ്പുകളിൽ എന്തുതന്നെ അടങ്ങിട്ടുണ്ടെങ്കിലും തദ്ദേശ ഗവർന്മെണ്ടു പരസ്യംചെയ്യുന്നതും, വല്ല പ്രത്യേക പ്രദേശത്തും ഇപ്പോൾ ഉള്ളതോ ഇനി ഉണ്ടാകുന്നതോ ആയ വല്ല ഉദ്യോഗസ്ഥനെയും, വിജ്ഞാപനത്തിൽ വേണ്ടുപ്രകാരം പരസ്യപ്പെടുത്തു

ന്നതിലേക്ക ആവശ്യമാണെന്നു തോന്നുകയോ വിചാരിക്കുന്നവിധം വിളംബരം പ്രസിദ്ധപ്പെടുത്തിയതിന്റെ ശേഷം തോന്നുകയോ പ്രത്യേകിച്ചു പറയുന്നതായ സമയത്തും സ്ഥലത്തും വെച്ചു, ഇപ്പറഞ്ഞ ഭൂമി വില്പാനായി അധികാരപ്പെടുത്തപ്പെടുന്നതാകുന്നു, എന്നാൽ ആവക വില്പന ഇപ്പറഞ്ഞ സമയം മുതൽ ഇത്രപത്തിനാലു മണിക്കൂറിനകത്തിൽ നടത്തുവാൻ പാടില്ലാത്തതാകുന്നു. 1899-ലെ 7-ാം ആക്ട് പ്രകാരം വില്പാൻ അധികാരപ്പെടുത്തപ്പെട്ട ഉദ്യോഗസ്ഥനെപ്പറ്റി പ്രധാന ആക്ടിലുള്ള എല്ലാ പ്രസ്താവങ്ങളും ഈ വകുപ്പുപ്രകാരം വില്പാൻ അധികാരപ്പെടുത്തപ്പെട്ട ഇപ്പറഞ്ഞ ഉദ്യോഗസ്ഥനെപ്പറ്റിയാണെന്നു കരുതപ്പെടുന്നതാകുന്നു.

3. പ്രധാന ആക്ട് 27-ാം വകുപ്പിലും 36-ാം വകുപ്പ് 1-ാം 2-ാം ഖണ്ഡങ്ങളിലും എന്തുതന്നെ അടങ്ങിട്ടുണ്ടെങ്കിലും, ഡിസ്ട്രിക്ട് ഗസറ്റിൽ പ്രസിദ്ധപ്പെടുത്തി ഇപ്പറഞ്ഞപ്രകാരം കൊടുക്കേണം എന്ന നിബന്ധന വല്ല പ്രത്യേക പ്രദേശത്തും വേണ്ടെന്നു തോന്നുകയോ പ്രത്യേകം കല്പിക്കുന്നതും ഇപ്പോഴത്തെ വില്പാനായി അധികാരപ്പെടുത്തിയ ഉദ്യോഗസ്ഥൻ വില്പ്രമാണപ്രകാരം വേണ്ടുംപ്രകാരം പരസ്യപ്പെടുത്തുന്നതിനേക്കാൾ ആവശ്യമാണെന്നു വിചാരിക്കുന്നവിധം വിളംബരം പ്രസിദ്ധപ്പെടുത്തിയതിന്റെശേഷം തോന്നുകയോ നിശ്ചയിക്കുന്നതായ സമയത്തും സ്ഥലത്തുംവെച്ചു ഇപ്പോഴത്തെ ഭൂമി പരസ്യമായി ലേലംചെയ്തു വില്പാനായി അദ്ദേഹത്തെ അധികാരപ്പെടുത്താവുന്നതും ആകുന്നു, എന്നാൽ, ആവിധം വില്പന ഇപ്പറഞ്ഞ തീയതിമുതൽ ഏഴ് ദിവസത്തിനുള്ളിൽ നടത്തുവാൻ പാടില്ലാത്തതാകുന്നു.

4. പ്രധാന ആക്ടിലെ 37 (a)-ാം വകുപ്പിലുള്ള നിബന്ധനകൾ വല്ല പ്രത്യേക പ്രദേശത്തിലും നിലം വില്ക്കുന്ന കാര്യത്തിനു സംബന്ധിക്കുന്നതു നിന്നുപോകുന്നതിനോ തദ്ദേശ ഗവർണ്മെണ്ടു പസ്യപ്പെടുത്തുന്നതായാൽ അതിനെ പരസ്യപ്പെടുത്തിയാൽ മേലാൽ നിബന്ധനകൾ ആവക വില്പനം സംബന്ധിക്കുന്നതു നിന്നുപോകുന്നതിനോ 38-ാം വകുപ്പിലെ 3-ാം ഖണ്ഡത്തിൽ "37 (a)-ാം വകുപ്പ്പ്രകാരമുള്ള" എന്ന വാക്കുകൾ നീക്കിക്കളഞ്ഞാൽ എങ്ങിനെയോ അപ്രകാരം ഒരുമയുള്ള വായിക്കണ്ടതും ആകുന്നു.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

കൃഷിക്കാർ സഹകരിയ്ക്കാതെ സ്വീകരിച്ച് നികുതിപിരിവിനു വിരോധികളായി കൂട്ടുകൂടി എത്രകാലമായാലും അവർക്കു നികുതി കൊടുക്കാതെ കഴിപ്പാൻ സാധിക്കുമെന്നു തോന്നുന്നതായ ചില മിഥ്യകളിലുണ്ടായിരിക്കുന്നു. ഈ സ്ഥിതി ആലോചിക്കുന്നതായാൽ ഇപ്പോൾ ഉള്ളതിനെ നിലനിറുത്തുന്നതിനും പിന്നീടു അവയെ വർദ്ധിക്കാതിരിപ്പാനുള്ള നടപടി പ്രവൃത്തികൾ അത്യധികം ബുദ്ധിമുട്ടുള്ളവയായി കാണുന്നു.

ഇപ്പോഴുള്ള നിലനികുതി വസൂൽ ആക്ടിലെ നിബന്ധനകൾ സാധാരണകാലങ്ങൾക്കും അവസ്ഥകൾക്കും പറ്റുന്നവയായി ഉണ്ടാക്കീട്ടുള്ളതാണെങ്കിലും നികുതി വസൂലാക്കുന്നതിനെ യോജിപ്പിച്ചു എടുക്കുവാൻ ശ്രമം ചെയ്യുന്നതിനെ അടുക്കുന്നതിലേക്ക മതിയാവാത്തതാകുന്നു.

ജപ്തിക്കുശേഷം നികുതി അടപ്പാൻ ആണ്ടു ചുരുങ്ങിയ ഒന്നു കാലാവധിയെങ്കിലും നല്കിയും അതിനു ശേഷം ഉടനെ വില്പാൻ സംഘടപ്പെട്ട ഉദ്യോഗസ്ഥന്മാരെ അധികാരപ്പെടുത്തിയും നടപടി പ്രവൃത്തികൾ ബുദ്ധിമുട്ടുതീരുന്നതിനു നിശ്ചയിച്ചിരിക്കുന്നു.
